

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

SB 971 - HB 1079

April 2, 2019

SUMMARY OF ORIGINAL BILL: Establishes that any document, petition, or paper filed pursuant to Tennessee Code Annotated, Title 2, Chapter 1, regarding elections, must be examined by the appropriate election official prior to such filing being accepted to ensure all information required is provided and that any deadlines have been met. Establishes, that if the official accepts any such filing, it is presumed that all requirements have been met, and that the filing is timely.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENTS (006813, 007252): Amendment 006813 deletes all language after the enacting clause.

Establishes conditions which must be met regarding voter registration drives. Any violation of such conditions is a Class A misdemeanor offense.

Authorizes the State Election Commission to impose civil penalties pursuant to a voter registration drive which files 100 or more deficient voter registrations, which is defined as any application lacking required information to process the voter registration application, except for the voter's social security number. Any fee revenue collected pursuant to civil penalties issued must be deposited into the general fund of the county or counties in which the violation occurred.

Requires poll watchers in this state to also be residents of this state.

Disallows certain punchcard ballots. Prohibits write-in votes from being counted for any statewide office.

Prohibits any agent of a voting systems vendor or any person acting on behalf of a voting systems vendor from offering or attempting to offer anything of value to a state or county election commission member, the Secretary of State, the coordinator of elections, administrator of elections, an employee of the state or county election commission, or an employee of the Secretary of State, or to an immediate family member. Prohibits such election officials from accepting any such things of value. Establishes additional payments and transactions that are prohibited between any voting systems vendor and election officials.

SB 971 - HB 1079

Establishes requirements for any person or organization establishing voter registration websites on public communication regarding voter registration. Requires that any such communication include a disclaimer that such communication is not made in conjunction with or authorized by the Secretary of State. Any violation of these requirements is a Class A misdemeanor offense. Stipulates that such requirements do not apply to a county election commission website.

Amendment 007252 deletes language in amendment 006813 which established a Class A misdemeanor offense for violating conditions not met in the conduction of a voter registration drive, which attempts to register over one hundred people. Furthermore, removes Section 2 of amendment 006813, which established civil penalties for filing one hundred or more deficient voter registration applications with one or more county election commissions. Deletes language in amendment 006813 which established a Class A misdemeanor offense for violation of any requirement regarding a voter registration website.

An effective date of October 1, 2019.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENTS:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Based on information provided by the Coordinator of Elections, this legislation is estimated to have no significant impact on state government.
- Any additional civil penalty revenue collected and remitted to local governments throughout the state, as a direct result of this legislation, is estimated to be not significant.
- There will not be a sufficient number of prosecutions for state or local government to experience any significant increase in revenue or expenditures.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
